

RISERVA DI FIZZANO

IL RELAIS DI ROCCA DELLE MACIÈ

Tenuta Riserva di Fizzano

Locally renowned for the excellent exposure of its vineyards, Fizzano Farm was purchased in 1984 and is constituted by a “borgo” dating from the 11th century and by around 61 hectares (150 acres), of which 35 hectares (88

acres) are given over to vineyards (Sangiovese, Cabernet Sauvignon, Merlot and Colorino) and 4.3 (11 acres) to olive groves. The borgo also plays host to the company’s oil mill, into which all of the olives from the various properties are

funneled to produce a high-quality extra-virgin olive oil. In addition, the buildings of the borgo have been restored and converted to create a delightful Relais, which is Rocca delle Macie’s hospitality hub.
